

Disability Access Statement

The park is mainly on level ground with gradual slopes to the top of the park; all walkways are tarmac or paved. The car parks are accessed by a ramp. The main car park is fully tarmacked, as is the smaller one.

The reception area is accessed by a ramp. The swimming pool has a designated disabled access which enters the disabled changing area with shower and WC.

The swimming pool has low rise steps down into it

The sun terrace also has level access and is paved.
